THE GOOD LIFE 2012 CALENDAR

The images created by silk artist Karel K. Hendee express and celebrate the simple life. Getting back to basics, growing a garden, and enjoying more with less is the key to a rewarding life. The artist includes inspirational poetry, monthly gardening tips that correspond with the phases of the moon, and nature notes to help you connect, observe, and appreciate living season to season. The original artwork is hand-dyed and painted silk art-quilts made with love and respect from natural fibers.

*"In this calendar,
I hope to inspire
people to get back
to the basics and
experience the true
and lasting joys of
living."*

LET US CLOSE
OUT THE YEAR
WITH MUSIC AND
MERRIMENT
MADE BY OUR
OWN HANDS,
DANCED BY OUR
OWN FEET,
SUNG FROM OUR
OWN HEARTS,
AND LIVED WITH
OUR OWN LIVES.
